Elite Traveler, the private jet lifestyle magazine
801 Second Avenue
New York, NY 1007

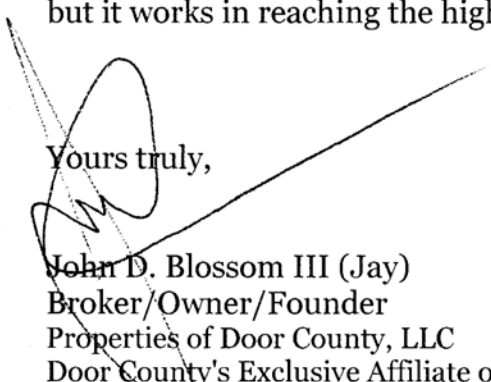

Dear Doug,

I wanted to write and let you know how effective the advertising program we launched this year in Elite Traveler has been.

Through your publication, we have received qualified enquiries from consumers as far afield as Europe and Asia. Most importantly, I can confirm that we are now in contract on a \$29 million property we promoted in Elite Traveler.

Your magazine is not only a perfect showcase for our homes from a branding perspective, but it works in reaching the high-net worth consumer.

Yours truly,
