Dear Doug,

I just wanted to let you know what a fabulous tool Elite Traveler is to select hotels, resorts and other venues. One of my clients from Japan who receives your magazine in the Japan Airlines First Class lounges, recently made the following booking which I think is quite substantial:

- Reynolds Plantation Dinner for 15
- Pinehurst - 2 nights for group of 15, including 5 suites = \$15,000
- Kiawah Island - 3 nights for group of 15, including an Ocean Course Mansion = \$14,000
- The Breakers - 5 nights for group of 15, including 5 suites = \$40,000
- Mandarin Oriental New York - 3 nights for group of 15, including 5 suites = \$50,000

The total trip expenses for my clients group is over \$300,000 and Elite Traveler was the primary source. At *inSightNYC* we pride ourselves on providing personalized service to top CEOs and VIPs and Elite Traveler is the best resource we can find!

Sincerely,

Hugh Fiedler
