Hi Laura:

I must share this with you: An *Elite Traveler* reader called Kentshire on Friday and purchased the 3 pieces featured on the page! And I had only given copies of the magazine to the owners earlier in the day, so they could scarcely believe it and, of course, they were very excited. Thank you!

The subtotal is \$14,530 (not incl. tax). I know you had heavier hitters in the magazine and on your cover, but even still, this was big for Kentshire!

Warm regards,

Victoria Pace
