Dear Tiffany;

First of all, thank you for including our Mandarin Suite in the July/August Pure Decadence Awards Issue featuring the Top 101 Suites in the World.

I thought you would like to know that right after the story appeared, the wife of a leading Chief Executive called based on your article and booked the suite for two nights for a total of approximately \$12,000.

We certainly have been seeing first hand the tremendous growth in the private jet market, and this experience definitely demonstrates the reach Elite Traveler has with this market!

I am pleased we are working with you, and look forward to more positive experiences such as this one.

Sincerely,
