Dear Doug;

I wanted to let you know how pleased I am with the exposure I have received. From *Elite Traveler* I just received my first "billionaire" client for whom I've just booked a \$500,000 trip.

His first booking with me was a 30-day trip I arranged to New York, Paris and Italy with top suites at The Four Seasons in New York, The Meurice in Paris, Palazzo Sasso and Splendido. On his trip he flew for the day to Milan to go shopping and in Paris bought 16 pair of men's slacks. During the trip he also rented a yacht for a \$16,000 one-day rental.

I really enjoy *Elite Traveler* and it is a fantastic way to get to the very top of the market and reach new clients for us. Keep up the good work!

Yours truly,
