Dear Doug;

As you know, Six Senses Resorts & Spas recently utilized Elite Traveler's database of private jet owners for a co-branded mailing to promote Private Reserve at Soneva Gili, Maldives - the largest over-water presidential-style villa in the world.

I am happy to report within a week of the mailing, we have already received a \$40,000 booking from one of your readers. I have long been a fan of your magazine and since this is the initial time we are working together, I wanted to let you know how happy I am with such a quick and enthusiastic response. Elite Traveler certainly delivers the high end of the market and I look forward to more projects in the future, and to more similar bookings!

Sincerely yours,
