LA COUR JARDIN

LE BAR DU PLAZA ATHÉNÉE

## ACCOMMODATIONS

Firm believers in the luxury of choice, the Plaza Athénée Paris' 146 rooms offer guests the option of two different designs: While rooms on the first six floors are modeled after the grandiosity of the Louis XVI era, the top two floors celebrate a more modern Art Deco style. Whatever interior you choose, you can count on stellar outdoor views of the tree-lined Avenue Montaigne, the serene Cour Jardin, or the stately Eiffel Tower, depending on your location. All rooms boast flat-screen TVs with DVD players, the Plaza's notoriously fast round-the-clock room service, and extravagant extras like a special pillow-menu, with "de-stress" and "beautifying" options alongside more standard choices like osteopathic and synthetic pillows.

LA GALERIE DES GOBELINS

**LA GALERIE DES GOBELINS:** This beautiful and quintessentially Parisian space will delight all of your senses, with its can't-miss combination of mouthwatering pastries, stunning chandeliers, and blissful live harp music. A must for afternoon lunch.

DOUBLE VIP TREATMENT ROOM AT THE DIOR INSTITUT

## SPA

Longtime neighbors on the always-elegant Avenue Montaigne, Christian Dior and the Plaza Athénée Paris have now teamed up to create the Dior Institut, a luxury day spa experience unlike any other. Using Dior Cosmetics' breakthrough anti-aging technologies, the treatments are designed to leave both male and female guests looking and feeling their absolute best. Visitors seeking to turn back the clock swear by the Institut's revolutionary "Miracle Treatment", a 120-minute facial that employs Dior's exclusive "L'Or de Vie" age-defying serum. The spa's interior, swathed in soft shades of pink, embodies pure glamour—but what else would you expect from the name synonymous with *haute couture*?

## ACTIVITIES

The knowledgeable and friendly staff at the Plaza Athénée Paris are more than happy to help new visitors discover the best that Paris has to offer: From complimentary jogging maps to lists of the area's trendiest boutiques for young fashionistas, the concierge is an excellent resource for uncovering the best places to eat, shop, and unwind outside the Hotel. Rent one of the Plaza's signature red bikes

and get some exercise while exploring the city—or let a four-legged friend do the work while checking out the sights from the comfort of one of the Hotel's horse-drawn carriages. Wine *aficionados* will savor a private tasting session, where they can sample a selection of the on-site cellar's 35,000-plus bottles, while those who visit in the winter months will enjoy a special outdoor skating rink in the Cour Jardin, whether they actually take to the ice or just observe from the sidelines.

## FAMILY

The Plaza Athénée Paris puts the focus on family with their new VIC—that's "Very Important Children"—program. Les enfants will love the Inconvertible Formula One, a child-size car that they can actually cruise around in.
