THE MILESTONE HOTEL

The Milestone Hotel, a combination of country-house ambience and chic city elegance, is something of a mirror to its surroundings, with Hyde Park and Kensington Gardens across the road and some of London's most fashionable shopping just around the corner. The bedrooms each have an individual style, featuring exquisite fabrics, soft furnishings and antique and hand-painted furniture. The public areas are equally sumptuous: The intimate Cheneston's serving the finest British cuisine, the informal Conservatory and the cozy Park Lounge, perfect for afternoon tea. The health club is for residents only and includes a resistance pool, fully equipped gym and resident beauty therapist.
