## SPA SERVICES

Indulge your senses in the new YHI Spa, a 24,000-square-foot haven that offers pampering services of all kinds. The Zen-like sanctuary—with winding wooden walkways, soothing water fixtures and soft music playing in the background—features a treatment menu designed to balance, revitalize and energize your body. Treatments range from refreshing facials to detoxifying scrubs to restoring massages, all devised to promote a total sense of wellbeing inside and out. Try the Lotus, Gold & Rice Massage, a revitalizing massage that uses aromatherapy to restore energy in the body or the Green Exfoliation, a fully-organic treatment that deep cleans and moisturizes the skin. The full-service spa also has a boutique, a salon and a state-of-the-art health club with spin and yoga studio.
