

# W SOUTH BEACH

In the playground of the cool, the melting pot of international taste-makers and on the boardwalk of the fashion jet set is where you'll find **W South Beach**. Sandwiched between the powder-soft sands of Miami Beach and bustling Collins Avenue, the hotel is a fantasy oasis surrounded by lush garden landscapes and breathtaking Atlantic Ocean views. Slip off to a secret garden or slide into a private poolside cabana and unwind to a soundtrack of trickling fountains, swaying palms and spicy salsa beats. Designed by a dream team of collaborators, including renowned architect Costas Kondylis and Anna Busta of Studio B Design, the team has created a collage of whimsical elements and innovative design, setting the stage for the ultimate South Beach lifestyle experience. From the lush eco-friendly garden to the exclusive night-club, W South Beach is a true insider escape.
