A stay at Cabo San Lucas's **Pueblo Bonito Pacifica** isn't complete without stopping in at the award-winning **Armonia Spa**—just ask celebs like **John Travolta, Kenny Chesney, Cindy Crawford** and **Kim Cattrall**. **Cattrall's** *Sex and the City* co-star, **Chris Noth**, actually participated in Armonia's signature **Temazcal** ritual while staying in the property's ultra-luxe Oceanview Suite. Inspired by the traditions of ancient Aztec and Mayan civilizations, the Temazcal is a shaman-led ceremony designed to bring about spiritual, mental and emotional well-being (www.pueblobonitopacifica.com).
