elite travel 2020
Since its launch in 2001, Elite Traveler has been the market-leading guide and curator of the global luxury lifestyle of ultra-high-net-worth (UHNW) individuals. It is written and designed by our experienced team of editors in New York and London for the elusive global elite who live the private jet lifestyle, delivering expert perspectives, meaningful analysis and advice.

Each issue provides detailed information covering the spectrum of the luxury lifestyle, including travel, fashion, jewelry, watches, spirits, autos, jets, yachts and real estate.

As the only audited publication with worldwide distribution aboard private jets, first-class lounges and in FBOs across over 100 countries, Elite Traveler provides advertisers unique access to the wealthiest consumers in the ultimate luxury market.

Alongside the print media portfolio, EliteTraveler.com is a global leader in luxury lifestyle and travel websites, attracting 361,733 unique browsers a month. Not only used as an invaluable source of insight, articles and opinion, EliteTraveler.com is increasingly used by visitors as a gateway to direct purchasing of luxury goods and experiences.
Elite Traveler’s editorial, circulation, distribution methods, and demographics from its proprietary readership study were reviewed and compared to potential host publications reported in the IPSOS affluent survey. Elite Traveler’s reader-per-copy (RPC) is based on readership data from its proprietary study and from measured inflight magazines. The RPC was applied to Elite Traveler’s print circulation which together with its digital monthly audience results in a projected total brand readership of 595,000 affluent adults.
